Westwood had the the privilege of officially receiving our copy of the Anyi New Testament Bible as Ettien Koffi's 26-year project has come to life. As storms blew through Stearns County last Sunday, we prayed over the team that left for the Ivory Coast this past Tuesday to

we've not only had the Bible in our own language, but in dozens of translations fitting our preference. Now imagine what the Anyi people will be feeling

REACHING THE WORLD AND OUR NEIGHBORS WITH THE GOOD NEWS

begin the distribution of the New Testament. The significance of this project can be easily overlooked as we're saturated in web access, smart phones, and social media. For tens-of-thousands of people throughout the Ivory Coast, this is monumental, and we should pause and consider the implications.

as they see the Word of God in their own language. Please keep the Ivory Coast team in your prayers as they directly support the distribution efforts, dedications, and logistics of this exciting project. Pray for God's Word to spread and transform the lives of the beautiful Anyi people!

57% of the worlds active languages still do not have a full Bible translation. With so much connectivity across the world, that statistic seems hard to believe. To think the Westwood Church family had a direct hand in making this printing of the Anyi New Testament possible is remarkable. It's easy to take for granted that

We need to celebrate what God will do throughout the Ivory Coast as we're reminded of the incredible opportunities right next door, in the break room, and in our relationships right here in Saint Cloud. As we are the church, God can powerfully use us in our circles of influence for His glory and the good of those who come to Him.
