I have had the pleasure of serving here at Westwood for a little over two years now. Already, the Lord has blessed me with so many great memories. One of my favorite memories at Westwood was a volunteer

time, these memories are a beautiful reminder of Acts 17:24 & 27 *The God who made the world and everything in it is the Lord of heaven and earth and does not live in temples built by human hands... God did this so that they would seek him and perhaps*

WORSHIP IS NOT LIMITED TO SUNDAY MORNING

Brian Feltmann, Worship Director

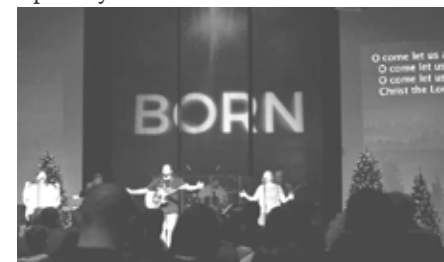

appreciation night when I realized the gift of the worship team I work among here. They are some of the most servant-hearted people I've ever met. I remember that night not being able to sing my gratefulness out to God loud enough. It was powerful to be among other musicians and technicians that just loved God, and are hungry for more of His presence.

reach out for him and find him, though he is not far from any one of us.

Again, during Christmas of this past year, the congregation filled our auditorium to the roof with the simple phrase... "O come let us adore Him." I remember it being so loud, all of us in the band just stepped back and joined the mighty voice to our mighty God.

The Lord has been constantly reminding me these past few months that the worship from His people (myself included) is not limited to a Sunday morning. We don't need a special place to approach our Creator. We just need to understand that He is living IN, and goes everywhere WITH those who call His name.

When I think of the past 2 years here at Westwood, I'm reminded of great worship experiences inside our walls here at Westwood. Yet at the same

I also pray that you will understand the incredible greatness of God's power for us who believe him. This is the same mighty power that raised Christ from the dead and seated him in the place of honor at God's right hand in the heavenly realms. Ephesians 1:18-20
